Note: The "same store" means the store operated 14months or more. The number of the same store changes every month. The above are preliminary figures. In principle, preliminary figures are announced by the second business day of each month. In cases where a difference exists between the preliminary and final figures, the preliminary figures will be revised to reflect the final figures when announcing the preliminary figures for the following month.

Summary :

In Feb. 2017, the same store sales fell by 10.4% year on year(yoy), while all store sales down 11.4% yoy.

Although spring knitwear, winter coat and jackets sold fast, our main item, denim bottoms, slowed the total sales.

The negative impact due to one less day because last year was leap year, and national holiday hit saturday this year, was about 5.5%.
